Presentation of Past President's Badge	Julie Clendinning to John Scoble
Introduction of 2023~2024 Board of Directors	Julie Clendinning - President 2023 - 24

~ National Anthem ~

~ Fellowship ~

ROTARY GRACE

Oh Lord and Giver of all Good. We thank thee for our daily food. May Rotary friends and Rotary ways. Help us to serve thee all our days.

THE FOUR WAY TEST

Rotarians strive to apply the following test to the things they think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Background

The Four Way Test was developed by Herbert J Taylor in July 1932 to be used as a measuring stick of the ethics of a company for which he was working. Herbert Taylor was a Rotarian and a President of Rotary International in 1954 - 1955.

For many decades Rotary Clubs and Rotarians have used the Four Way Test as an instrument to develop respect and understanding. The Four Way Test has also been used successfully around the world in business, government and schools as an effective measuring stick of conduct and a guide to 'right thinking'.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular to encourage and foster:

FIRST The development of acquaintance as an opportunity for service;

SECOND High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Assistant Governor Area 5	Bruce George	Helen Tickle

ANNUAL REPORTS

CLUB PRESIDENT'S REPORT 2022 – 2023

When Larry asked if I would take on the President's position I was honoured and have found it very rewarding. The cooperation and fellowship of Inverell East Rotary is second to none. I have been fortunate to have had a dedicated team supporting me as well as all members of the club. I would recommend any member to seriously consider volunteering for a portfolio position in the future, you will be rewarded for doing so.

I would like to acknowledge and thank the Board members who have kept the club running smoothly. Some portfolios are more time consuming than others. Additional thanks to Larry Whitbread for his assistance over the last year and stepping up at a moment's notice, to Dave Ryan for all the paper work and the new Constitution, to Barry Mason for counting the coins and his assistant Col Flood, to Bob Lea for organizing speakers and special events, to Paul Ray for keeping us connected with the community, to Peter for keeping everyone informed, to Brian and Beth Stieger for making sure we were all fed, to Dick Hudson for the website and club history work, to Andy Thompson for his work in Membership, to Amy Rawson for making us laugh, to Julie Clendinning for bringing us up to date with Rotary International and to Scott Williams for letting us meet at his place.

Fortunately some normality is returning after years of COVID set back. Hopefully this trend will continue into the future and our club can continue its great work. We have been really busy this year doing what we do best – serving our community. Some of our activities include work at the May Street Park and the cycle track near Lake Inverell, car and motor bike show at Pioneer Village, Dream Cricket, Men's Health van, Inverell's Got Talent, Concert in the Park, Holy Trinity Fair, Duck Race, Venetian Carnival, Science and Engineering Challenge, supporting the Inverell Show Society and Multicultural Day in the Park coinciding with the Grafton to Inverell cycle race. For all those members on special committees I can't thank you enough.

Additional activities which promoted our club in the community include hosting the DG visit which was supported by Inverell and Warialda Rotary Clubs, attending the Inverell Changeover Dinner last year, attending the Legacy President's Luncheon, attending the Gilgai School Presentation Night and attending discussions to form a Men's Table help group.

Our membership has remained reasonably stable this year. It was great to welcome Wally Duff to our club but Noel Daley and Jim Schliebs relocated. We wish them both well for the future. On a sad note we lost two of our loyal and committed members in Geoff South and Jock Gartshore. Both Geoff and Jock were great supporters of our club for a number of years. Some interesting stats regarding our membership. We have 9 members with 30 years plus membership 4 members with 20 years plus and 3 members with 10 years plus. Our current membership has a total number of 604 years of membership.

It is always a pleasure to acknowledge special events or achievements. Congratulations to Bill Gowlett for his recognition for services to Rotary and Peter Champion's Parliamentary Award for Services to the Arts. Well done Bill and Peter! Attending the RAB Community Partnerships night when our club was presented with a cheque for \$1969.00 was special too.

Some of our events were for our members only. These added variety to our program. The round of golf and the Christmas party held at the Inverell Golf Club were enjoyed by all, the bowls night at the RSM Bowling Club was a lot of fun and the visit to the recycling plant proved popular.

On a final note: I would not have had a successful year without the great assistance of all members of the club - thank you for a most rewarding year.

I wish Julie and her team all the very best for 2023 – 2024.

My thanks to Ros, without her help the mission would have been impossible.

John Scoble (President)

COMMUNITY SERVICE

This year we saw a lot more events for the Food Van and Fundraising activities, which was really great.

Some of the events we have held or attended over the last 12 months were in October 2022, when we held our Inverell's Got Talent which was a huge success. We also attended the Open day at Inverell Pioneer Village. Unfortunately, the Sapphire City Festival was cancelled due to poor weather conditions.

November 2022 Inverell Shire Council held a Daryl Braithwaite Concert in the Park.

December 2022, we attended Inverell's annual Apex Venetian Carnival. Then our own Duck Race was also held in December after being postponed from October. Even though our faithful Ducks had to race up stream it was a huge success.

February 2023, members sold drink tickets for the Inverell Show Society on the Friday and Saturday nights.

March 2023, Holy Trinity Easter Fair was held again after a huge break.

April 2023, the Grafton to Inverell Bike Race combined with the Multicultural Festival.

May 2023, Inverell Transport Museum held a Car Show which the Chip Van attended and also Members helped on the gates.

May Street Park is looking a picture thanks to the tireless work of our mowing and maintenance teams organised by Dick Hudson. Thank you to those members who perform this ongoing task. It is often commented on by the Community how great the Park looks.

Also, a thank you to those members who have continued to help with the up keep of the Inverell Cycle Track, which is a very popular area used by Community members.

It is really great to see our community out and about again attending and enjoying many various events after a couple of very quiet years.

Thank you to John for his leadership throughout the last 12 months and my best wishes go to Julie for the next 12 months.

Paul Ray (Director)

YOUTH

Inverell East Rotary has again continued to make Youth Programmes a major focus for our club in the 2022 – 2023 Rotary year.

The National Youth Science Forum (NYSF), which has been running since 1984 has to date had over 15,000 students participate in this program. Rotary was a founding partner in establishing NYSF and continues to support this initiative each and every year. NYSF focuses on STEM subjects – Science, Technology, Engineering and Maths. Our representative at NYSF this year was Inverell High School student, Anita Thivakon.

This year, NYSF was held as a mixture of online and face-to-face at the University of

Queensland (UQ) for a cohort of 451 Yr 12 students. Anita attended an Inverell East Rotary meeting in late February and gave a very comprehensive report to the membership about her time at NYSF which we all thoroughly enjoyed. Congratulations to Anita on her efforts at NYSF.

The Science and Engineering Challenge was again held in early March at the Inverell RSM Club. This is again focused on those STEM subjects, but for students in junior years of high school and upper primary school. They are set a series of critical thinking challenges using STEM and a local winner is decided. We had over 180 students representing five high schools and two primary schools from around the district in attendance which is an outstanding effort. My thanks to Mr Simon Smith for his organisation and coordination of the challenge, in conjunction with Inverell Rotary Club and the facilitators from the University of Newcastle, as well as to the 8 of our members who volunteered to assist with activities on the day.

We have also partnered with Inverell High School Clontarf Academy, who are assisting us with maintaining the May Street Park. We thank the students and Director Mr Lindon McGrady for all their efforts.

I would like to express my sincere thanks and appreciation to outgoing President, Mr John Scoble, outgoing First Lady Mrs Ros Scoble, previous Youth Director Ms Julie Clendinning and Mr Simon Smith for all their assistance in my first year as Youth Director. I look forward to continuing in this role in the 2023 – 2024 Rotary year.

Lastly, I wish incoming President Ms Julie Clendinning and her board good luck for the upcoming Rotary year.

Amy Rawson (Director)

ROTARY INTERNATIONAL & ROTARY FOUNDATION

Rotary International / Rotary Foundation (People of Action).

Rotary causes are: Promoting peace, fighting disease, providing clean water, sanitation and hygiene, saving mothers and children, supporting education, growing local economies and protecting the environment.

Rotary is deeply concerned by the ongoing loss of life and the ongoing hardship suffered by the war in Ukraine. Rotary is providing aid through its response fund supplying aid to Ukrainian refugees and has supplied US\$15 million in grants that supply over 400 essential support activities.

2023 saw the devastating earthquakes in Syria and Türkiye that killed over 50 000 people and damaged 66 000 buildings. Rotary responded with disaster response grants encouraging Rotary clubs to support the relief efforts. Shelter Box helped 18 800 people in Türkiye where many people were made homeless in a bitter cold winter with tents, blankets, and clothing.

The End Polio Now campaign is still supported by the Bill and Melinda Gates foundation. Since September 2022 there have been no new wild cases of Polio in either

Afghanistan or Pakistan. Meaning that after 3 years have passed there are no new wild cases the world can be declared "Polio Free".

Rotary Foundation has many small ongoing projects each year striving to make life better for many people in developing countries and supplying humanitarian and disaster aid.

Inverell East Rotary supports the Rotary Foundation with our annual subscriptions and the awarding of Paul Harris Fellows.

I would like to take this opportunity to thank John Scoble for his leadership, guidance and hard work throughout this Rotary year.

Julie Clendinning (Director)

CLUB SERVICE

It has been a busy year for Club Service as East Rotary threw off the restrictions of COVID and came together for a full year of fellowship and service. Being elected Club Service Director has been an enjoyable learning experience guided by President John and assistant Ross Tutt. Thanks again to those members who provided hasty histories (sometimes at short notice) and those who helped with the selection of guest speakers.

We started the year off with a visit from the Police Dog Squad, Edwina Mill and her internationally famous biscuits, Lachlan Butler the Regional Apprentice of the Year who then went on to be best in the state, David Worsley, our own Col Ritchie and Julie McRae with any number of future parkland projects. The list of interesting guests with fascinating subjects has been inspirational.

Thanks to Fae Kauter and the staff at the Inverell Club for a memorable Christmas party. The Tatts Hotel has been an excellent venue for our dinner meetings and the occasional take aways such as Inverell's Got Talent auditions, our end of year golf BBQ and the Pioneer Village. Thanks Scott, Cassie and your kitchen staff.

Thanks also to Brian and Beth (Club Commissariat) and President John and Ros. I would like to wish Julie and the incoming Board all the best for 2023 – 2024.

Bob Lea (Director)

MEMBERSHIP REPORT

The 2022- 23 Rotary Year has been a mixed one for our club. Sadly, two of our ex-members, Geoff South and Jock Gartshore passed away and will be sadly missed by family, friends and fellow Rotarians. Two of our long serving members, Noel Daley and Jim Schliebs, re-located to Brisbane and we wish them all the best for the future.

We were fortunate to receive a \$500 Membership Support Program grant from Rotary International. This money enabled us to host club dinners where we welcomed prospective members for food and fellowship. In August, we were very pleased to induct

Wally Duff into our club and welcome him and his wife, Amanda, to Inverell East. Our efforts to introduce Facebook member profiles were unsuccessful due to lack of Facebook approval.

Thanks to the membership committee for their ongoing effort and support and to President John and his board for another enjoyable and successful Rotary Year. Best wishes to incoming President Julie and her new board for 2023-24.

Andy Thompson (Director)

VOCATIONAL REPORT

What does Vocation mean to us, in our club?

A vocation is an occupation to which a person is especially drawn or for which they are suited, trained or qualified.

So, in simple terms I believe it is to seek out and learn about the wonderful things in our community, that people do as part of their employment, their business, their hobbies or their passion. This past year we have been able to visit various locations or have a guest speaker to educate us about the variety of vocations that people have throughout the Inverell District.

What have we discovered this past Rotary year?

A visit to Pioneer Village had multiple benefits when our guest for the evening was Stuart Berryman who gave us an up-to-date insight into this wonderful tourist attraction and living history of Inverell. This night we also combined a very beneficial training session for new members and a refresher for others on how our chip van operates. Our CV maestro, Paul Ray led the way showing all the finer art of chip cooking and giving us our first taste of the very popular 'beer battered chips', which paired extremely well with hamburgers from the Tatts. A great night.

One of our special guest speakers was Edwina Mills, who has turned a hobby into a business known as 'Sprinkle and Bake'. As the name suggests, Edwina's business supplies custom baked biscuits for all sorts of events and celebrations, including the Qantas 100th birthday. All this from a passion for baking.

Early this year we had a partners night and enjoyed 'Barefoot Bowls' and pizza at the

RSM Bowling Club. Ably assisted by several RSM club members we soon found out how this very popular sport and hobby can bring out the competitive edge and some deeply hidden talent.

Ever wondered what happens to all that carefully sorted waste we put into the yellow lid bins? Well now we know. Our very own Paddy Miller gave us a guided tour of the CRC (Community Recycling Centre) and what happens behind the scenes. While we all try to do our best, we learnt how to do it better and without a doubt, it all starts at home. Do the right thing!

Recently we had a very interesting visit to 'The Brew Shed' owned by Jane and Darryl Brookman. Again, what you see in the name is only the tip of the iceberg for what is available.

Not only does the Brew Shed supply an enormous variety of ingredients and equipment for the home brewer but also caters for those fermenting their own spirits.

Do you cook on a barbeque? Well, we all learnt that there is a huge range of sauces, spices and woods available for that unique flavour plus how to make your own cheeses and wines to complement your dining experience. To help all the novices or the seasoned DIY, Jane and Darryl have an enormous amount of knowledge and are very passionate about their vocation and we thank them for their hospitality.

It's been a great year to discover what vocations are right under our noses and I'm sure this will continue into the new Rotary year.

I congratulate President John, the board and all our members for a wonderful year and wish President Elect Julie a successful 2023/24 .

Larry Whitbread (Director)

Special Tributes

Geoffrey George South

Sadly missed by family and friends, Geoff South was a stalwart of the Rotary Club of Inverell East from 1982 until 2021. During this time he selflessly served his community and in doing so, lived according to the motto of Rotary International – “Service Above Self”. Geoff is remembered as a man who never sought recognition or reward. He was the ultimate ‘behind the scenes’ person. As a young man he served through organisations such as Jaycees, the Inverell Basketball Association and the Department of Education’s “Healthy Harold Van” Program which for many years visited local schools in support of the youth of our town. Geoff loved driving buses. He drove his fellow Rotarians on Magical Mystery Tours. He drove Rotary

overseas exchange students on trips around our country and he drove local kids to and from school.

Other activities that Geoff will be remembered for include his daredevil love of water skiing, the bagging of sheep manure to sell for fund raising, the laborious work involved in clearing and cleaning up the banks of the Macintyre River, the planting of trees in Butler St Park, involvement in the old Inverell Speedway and his dedicated, generous contribution to the formation of the now

famous National Transport Museum.

Throughout his distinguished membership of Inverell East (almost 40 years) Geoff preferred to steer clear of the trappings of office. Instead, he put his hand up for any job or project which he thought would benefit his club and community. In recent years he worked tirelessly at May St Park, the Lake Inverell Cycle Way, the Chip Van, the Sapphire City Festival, Inverell’s Got Talent, The River Run, ANZAC Day and the Great

Duck Race to mention but a few. Geoff loved fellowship and a good laugh. He was happy to step up on stage at the Jenny Fox Fashion Parades and musical events. Along with his brother, Doug, he joined in to entertain audiences and raise funds for local charities. (He actually looked quite stunning in fishnet stockings).

Geoffrey George South was a family man, a friend, a helper of other people. He was a good man, a great Rotarian. We will miss him.

Jock Gartshore

Sadly missed by family and friends and fellow Rotarians, Jock Gartshore was a member of Inverell East from November 2012 until May 2021. During this time, he made new friends, met up with old ones and contributed to his local community through Rotary service. Jock's skills as a builder were put to good use as he helped with various club projects such as the May St Park. Working alongside volunteers from our club and Inverell High, he played a valuable role in the construction of the park shelters and the on-site fence and gates.

Jock was proud of his Scottish heritage and enjoyed the friendly banter at our dinner meetings when the Fine Sergeant made the occasional reference to kilts (yes or no?), noisy bagpipes and haggis. Born in Ayr, Scotland (1939) Jock and his family migrated to Australia when he was twelve. They settled in Warialda and Jock began his building apprenticeship with George Ford at the age of sixteen. In his early days as a builder Jock worked with Geoff South who was a plasterer. They later shared membership of Inverell East. Jock was a very talented sportsman and in 1964 moved to Parkes to pursue his

Rugby League career. He won Premierships, played Firsts and Seconds for NSW Country and did some coaching for Country teams. In 2008 he was honoured by being named in the "Team of the Century" for Rugby League Group 5 (now Group 19).

After his marriage in 1967, Jock and Laraine raised their family in Wamberal on the NSW Central Coast where they continued their building business. Returning to live in Inverell in 2002, Jock and Laraine were introduced to Rotary by Derrick and Pat Yee and after Jock's induction to the club in 2012 they enjoyed many social functions and outings with Inverell East.

Jock served the club and Inverell until suffering a stroke in 2021. He was a resident at Naroo Aged Care in Warialda until his death earlier this year.

Jock Gartshore was only an active member of Inverell East Rotary for a relatively short time but he will be remembered by fellow Rotarians as a good bloke who served his community well. He will be sadly missed.
