11 October 2024

The Rotary Club of Inverell East Inc. will be coordinating the running of the annual Christmas Fair and lighting of the Christmas Tree at Campbell Park, Saturday 23rd November 2024, commencing at 5pm.

Your organisation is invited to participate in the opportunity to raise funds and provide pre-Christmas entertainment for the Inverell Community. As you would be aware the Venetian Carnival is a major fundraising event for the Inverell Community attracting thousands of people.

Inverell East Rotary will be organising a visit from Santa Clause and other entertainment. A schedule of site fees is on the attached form.

If your organisation would like to participate in this year carnival, please complete the application form and return it to - PO box 472, Inverell 2360 or email to inverelleastrotary1@gmail.com by the 8th of November.

The site fee and a copy of your organisations public liability cover must accompany the application form. The site fee is non-refundable due to the fixed costs of hosting the Venetian Carnival. Only registered charitable organisations may run games of Chance (eg: Chocolate Wheels) and it is up to the individual organisations to arrange the necessary permits from the Chief Secretaries Department. A copy of this permit must accompany the application where applicable.

This year there will be a maximum for four chocolate wheels. These will be allocated to the first four organisations with paid application forms together with the necessary permits.

All advertising and general facilities will be arranged by the committee, but Inverell East Rotary Club will not be providing cash floats. Some change may be available later in the night.

I encourage you and look forward to your participation at this annual community event.

David Ryan
Secretary
